MEMORANDUM FOR THE EXECUTIVE DIRECTOR

Subject: Report on Congressional Hearings

1. It is believed that it would be very helpful to ICAPS and to the several Assistant Directors if the Legislative Liaison Branch were to prepare and circulate a summary of the Congressional hearings and debate on the CIG (CIA), its relationship to the new Council and to the Departments.

2. To be most useful, such a summary should contain all indications as to what the new CIA should and should not be and do. It should quote that section of the Law pertinent to the CIA.

3. If interpretation by General Counsel is needed, that should be appended.
